Re: FOIL Request #2020-0381

Dear Ms. Kathy Barrans,

This is in reply to your email dated 07/20/2020, receipt of which has previously been acknowledged, wherein, pursuant to the Freedom of Information Law (Public Officers Law, Article 6), you requested Overtime records for counties.

Attached is a report of the top 10 overtime earners for each county in the Capital District in the specified calendar year. All information included on the report, with the exception of OT Hours and OT Earns, reflects the employee's position information at the end of the calendar year. The amounts identified as OT Hours and OT Earns reflect all monies paid during the calendar year. It is possible that a portion of the reported earnings was paid in a position other than the position held at the end of the year.

We hope you find the information helpful.

Sincerely,

Jane Hall  
Records Access Officer
